Inspiring Learning

PĀNUI - TERM 3, 2024

AKO PANUKU HUI Ā-TAU 2024 - A SUCCESS!

Term 3 was a busy one for the Ako Panuku team as we prepared for Hui ā-Tau 2024, which was delivered on 1 October. This year's theme - Ara Tinitini, Ara Manomano - explored the future of learning for kaiako and ākonga.

With around 50 of our kaiako attending face-to-face in Wellington, and many more attending online, it was a fantastic day of thought-provoking presentations from a diverse range of speakers, including Dr. Hana O'Regan, Arihia Stirling, and Justice Joe Williams, who inspired new ideas and fresh perspectives.

One of our kaiako noted: *"I loved that each speaker was coming from a different space but their kōrero around education was so reflective and on point, amazing. Always so inspirational!"*

The day was concluded with a conference dinner for face-to-face attendees at Shed 22, where we heard from our dinner speaker - Professor Ella Henry - who sure entertained!

Thank you to those who have taken the time to provide feedback. If you attended (either online or face-to-face), and would like to share your feedback, we would love to [hear from you](#).
